

# AGROBOOST MARINE

AGROBOOST Marine is a proprietary blend of seaweed extract fortified with essential and beneficial nutrients, natural biomolecules having a role in stimulating plant growth and fruit development.

## Product specifications

### Physical Specifications

Contents	Specifications
Formulation type	Water soluble liquid
Appearance	Dark colour
pH (5%)	6.00-8.00
Density	1.10-1.30

### Chemical Specifications

Contents	Specification (%)
Total Nitrogen (as N)	0.5
Available Phosphorus (P <sub>2</sub> O <sub>5</sub> )	3.0
Soluble Potash (K <sub>2</sub> O)	6.0

Derived from: Fish protein hydrolysate, Seaweed extract, Potassium Phosphate, Potassium Sulfate

## Application Details

- Suitable for use in agriculture as foliar applications or fertigation.

## Application Dosage

- Foliar sprays: 15-20 fl oz per acre per application.
- Soil drenching: 20-30 fl oz per acre per application.

## Key Benefits

- Source of plant three key nutrients
- All nutrients are derived from organic source
- Optimizes crop growth and fruit development
- Suitable for use in “Organic Farming”
